Spirit of '76

Make way for us; here we come.
We're the future — America's young.
Don't criticize or mock our youth;
Just like you, we search for truth.
Hypocrises won't get us down;
We will strike where these abound.
There's much to do; we're needed here,
To help preserve what men hold dear.

We'll work with others hand-in-hand,
To try to help our fellow man.
In this land our fathers made,
We stand together unafraid.

Give us room; let us by.
The youth of America have arrived.
There's nothing wrong that we can't fix;
We're the Spirit of '76!

'76 PANTHER Dedicated to Mr. Brown

Never before has a Dudley administrator cultivated the personable rapport that Mr. Franklin Brown has with the faculty and student body. In his daily duties, Mr. Brown performs with extreme consideration and conscientiousness.

A decade has passed since Mr. Brown took the helm as principal. In those ten years, he has witnessed school integration, the inception of alternative education, and the national acceptance of student rights.

The Dudley yearbook numbered only one before Mr. Brown assumed the principalship. Under his leadership, the yearbook has now become an institution at Dudley.

Many of Mr. Brown's achievements at Dudley have gone unnoticed. School campus expansion is but one of these unrecognized achievements. To acknowledge Mr. Brown for his achievements, his unselfish guidance and devotion to the Dudley student body, the yearbook staff hereby dedicates the 1976 PANTHER to Mr. Franklin Brown.

Student Life

Jean Schoolcraft Is Crowned Queen

Jean Schoolcraft was elected to reign as Homecoming Queen for the year Nineteen Hundred Seventy-Five.

At the Homecoming game ceremonies, Jean was escorted by Steve Ellington for the official coronation. Student Council President George Greenlee had the honor of crowning her Miss Homecoming.

As a Dudley senior, Jean maintained an active school life. Honor course enrollment and advanced dance highlighted her class schedule, while club participation, cheerleading and performing for the Touring Dance Group dominated Jean's extra-curricular activities.

DreamSpinners Take Top

Production Honors In Memphis

1975-1976 saw the Dream-Spinners really catch hold. The highest point of the year came on March 6 when the Tour Company was awarded Best Production at the Southeastern Theatre Conference in Memphis, Tennessee for their performance of Interview. In addition to top production honors, Miki Johnson was awarded best actress and George Howell was voted best supporting actor. It was really a busy year for Interview, and a busy year for the Dream-Spinners.

Campus Scenes In '76

Kathy Reid is Miss Yearbook

Kathy Reid emerged as the winner of the second annual Miss Yearbook contest. Kathy's victory marked the repetition of history. For the second year, the Spanish Club-sponsored candidate won. Kathy gained the title by collecting more than one hundred ten dollars. Participation is descriptive of Kathy Reid. She participates in several clubs and school activities. Her club memberships include the Spanish Club, National Honor Society, and the Dudley Marshals. Being the Spanish Club president, she serves on the Inter-Club Council.

Academically, Kathy excels. She is enrolled in Advanced Placement English and history. She is also in her fifth year of Spanish.

Faculty Reigns Again

Some spirited students and faculty members participated in a Student-Faculty Basketball game in December. The purpose of the game was to raise money for the athletic department.

The faculty led throughout most of the game, with the final score of 44-42. The game raised a total of \$103.80.

The students who played were Jack Tawasha, Ken

Fentress, Jeff Smith, Dwight Haygood, Kelly Brame, Mark Sizemore, Steve Wyrick, Anthony Anderson, Talford Jarman and Harold Nettles. George Greenlee was their coach.

The faculty were Don Bohlen, Dave Callahan, Ernie Murray, Fred Hunt, Lee Ponting, James Horne, Doug Powell and C.C. Stewart.

Students Get Involved

Stage Band Performs at Mall

Before Christmas, the merchants at Four Seasons Mall invited music groups from various schools to perform in the mall. The Dudley High School Stage Band was one of these groups. Under the direction of Mr. Clarence Maxwell, the group rendered numerous Christmas selections to entertain the shoppers.

A Wedding

is the project of the Interpersonal Relationships classes each semester. They plan, prepare for and carry out an assimilated church wedding and reception. This helps to make students aware of the different types of weddings and what a wedding actually involves.

Sports

High Hopes Go Awry

Panther gridiron action was present through the autumn months of 1975. The season held little in achievement for the varsity squad. A lacklustre won-loss record was only salvaged by a late season victory over North Forsyth. As it turned out, the victory was Dudley's singular silver lining in an otherwise dismal season.

Following a losing season, the appropriate words seem to be "regroup and rebuild". This holds true with the Panthers. Next season and seasons to come can show increased win tallies following the reconstruction of a winning attitude and the return of veteran players.

Soccer is Introduced to Dudley

This year soccer was introduced into the Dudley sports program. The 1975 team didn't fair very well, but it was a young and inexperienced team.

Under the coaching of Dave Callahan, the team looks forward to brighter seasons.

Girl's Tennis

finished with a very uneventful season. The girls went up against some very tough competition this year. The team is young and has really learned a lot from this season.

All of the girls' have worked, under the supervision of Mr. Bohlen, to improve their games for next year. The improvement that they have gained this year should make them a very competitive team next season.

A Winning Season

was the result of the Girls' Volleyball Team's effort this year. They finished first in their conference after two disappointing wins at the beginning of the season.

The team had a lot of spirit and stamina. There was a good relationship between the team members on and off the court. For this reason, they were able to work together as a team.

Their season was highlighted by participating in the Girl's Invitational Volleyball Tournament at Broughton High School in Raleigh. They finished the tournament with the poise they had shown all year. With the season over, they were ranked fourth in the state.

Varsity Basketball

The 1975-1976 boys' varsity basketball team had a better season than their win-loss record indicated. Out of their nineteen conference games eight were decided by three or fewer points and two ended in overtime. In one game the victory was decided after the buzzer sounded. Seven games were played without one or more of the starting five.

Of the fourteen team members, seven will be graduating. Coaches Chatham and McKee deemed the team members well-rounded athletes with terrific attitudes.

Coach Chatham explains strategy during time out.

Seniors Doretha Hurdle and Julia Chamis serve as co-captains.

Cindy Adcock, a junior, is the team's leading scorer.

Young Girls' Team Shows Improvement

The girls' basketball team experienced a season of ups and downs in '76. Led by co-captains Doretha Hurdle and Julia Chamis, the team, though young and inexperienced, never quite lived up to its pre-season expectations.

Some bright spots of the season included the play of Sandra Wingler and Cindy Adcock, both of whom will be returning next season! Sophomores Terri Heath, Kathy Smith and Kim Holmes got considerable experience that should be helpful for next season.

In spite of the errors that plagued the team, the girls worked hard and showed great improvement before the season ended.

The girls were coached by Mary Jo Lentz and Leslie Clark.

The team could not get along without these people (l to r): Owen Reece, head manager; Wanda Horton, scorer; Gail Milton, timer; Terri Tolbert, and Hazel Graves, managers; and Jay Barber, statistician.

Wrestlers

produced several outstanding individual records among its young, inexperienced team. The best season records were produced by Kenneth Able, William Doggett and Michael King.

The coaches were pleased with the skills and experience gained by the squad this season. With nine starters returning next season, they hope to see the team record turn around.

Varsity Baseball

In the spring of 1976, despite the loss of several outstanding 1975 graduates, the Panther baseball team was optimistic in their outlook for the season. Five returning lettermen headed a cast of enthusiastic charges under the guidance of Coaches Louis Robertson and Dave Callahan. The young pitching staff needed quick maturity for a successful season; however, Marvin Patterson, Steve Harris and Petey Priester were impressive in the early going. The bats of Jimmy Shaw, Tim Jackson, Barry Bailiff, Mike Kesler, and Billy Burton offered a potent threat to every foe.

A Good Tennis Season

is the hope of the 1976 tennis team. They opened the season with a winning score of 5-4 over Burlington Cummings. The team feels that lots of experience leads to success. Cross Country: #7

The Dudley Cross Country team has proven to be one of the strongest athletic groups at Dudley. This year they finished second in the city, third in the conference, second in the sectionals and seventh in the state competition. The team runs a very hard and trying race through nature's obstacles. The team owes much of its success to coach Jack Chatham. Four seniors and two juniors made up the varsity team.

Organizations

Serving as Ushers At Various Functions,

the Dudley Marshalls are a school-oriented service group.

A Marshall has criteria by which he is selected. A Marshall must be a good student, a mature person and should be respected by his classmates and teachers. A Marshall must also be ready to work at any activity where his services are needed.

The Marshalls are a character-building organization whose members are among the elite of the Dudley student body.

Officers: Greg Apple, President; Valerie Clark, Secretary; Pat McDougald, Vice-President; Jean Schoolcraft, Treasurer.

The Monthly Editions of the Panther's Claw

serve not only as an informative endeavor, but also as the school historian. Within the printed pages of the Claw is the very lifeblood of the school. It records school function, student achievements and the general information the students and faculty want to know.

The "lakkus" plagued the 1975-76 staff. Primarily, the "lakkuv money" and the "lakkuv student interest" placed the greatest strain on the Claw. Fortunately, for all concerned, the Panther's Claw maintained publication and advanced toward its 42nd year of existence.

Staff members prepare to put latest issue of the Panther's Claw into circulation.

Largest Club at Dudley is Still

increasing its membership. This year the club had over one hundred members.

The club sponsors a foster child in Guatemala and helps support a needy family in Greensboro by presenting gifts on various holidays and special occasions.

The president, Kathy Reid, was the Miss Yearbook winner this year by the great efforts put forth by the club. Everyone participated by helping raise money and also by holding a Bake Sale.

\$110.00 was raised for Kathy.

The GYC Flea Market and

Teen-age Carnival are just a few of the annual events of the club. The booth took first place in last year's carnival and the club worked hard this year to remain on top. The money-raising project of the Spanish Club was selling candy. This year they sold a candy bar for seventy-five cents. The wrapper was good for \$1.00 off a pizza at any Pizza Hut.

The "working" members are rewarded each year with the satisfaction of helping people and an all expense paid weekend to the beach.

Helping Youth Get A Realistic Look At

the world of work and helping arm them with the knowledge and skills needed for employment in the home economics field are the main goals of HERO.

Members participate in simulated on-the-job training such as learning to be a food caterer, day care center assistant, tailor and many other jobs that might lead to a future vocation.

HERO members also participate in fundraising projects. A portion of the money raised is used in community and school projects such as the Christmas party held at Starmount Villa, where three HERO members are employed. They entertained sixty-five persons, many of whom were in wheel chairs. The rest of the money is used for an appreciation banquet for their employers.

HERO members are employed in service jobs throughout the community. Businesses cooperate in hiring students on a part-time basis. These girls are working in child care, food, housekeeping and dietary services. Members shown above are (front row, left to right) Terri Jarvis, Revon

are very helpful tasks that the media assistants perform when they are on the job in the library. During one period of the day, these assistants render aid to the Media specialists, Mrs. Bleakley and Mrs. Battle.

Besides helping to check books in and out, they deliver media equipment and help keep books and periodicals in order. Their assistance in the center helps to make it operate more smoothly.

the Dreamspinners Touring Repertory Theatre was chosen from over 100 high schools in N.C. to represent N.C. at the Southeastern Theatre Conference in Memphis, Tennessee in March 1976. The Drama department opened the year with the dreamspinner production, "The Roar of the Greasepaint The Smell of the Crowd." This play was presented November 13, 14 and 15, here in the Dudley auditorium. "Greasepaint" is more than a musical comedy. It is an examination of our need for each other — a need which becomes increasingly clear as our society becomes increasingly violent and violative.

Rusty Snyder displays talent other than acting as he serves the volleyball when the drama club challenges the girls' volleyball team.

Upper Flights in ROTC

Juniors and seniors comprise the upper flights in the ROTC program. The seniors are in the top flight, Flight A, while juniors are in Flight B.

The ROTC is co-educational. Even though there were no girls in the senior flight, the junior flight had five within its ranks.

Sophomore Flights in ROTC

The sophomore ROTC Cadets are in Flights C, D and E. The number of sophomores enrolled in the program holds great promise toward future Junior and Senior Flights.

In selecting the course, the sophomores have not only elected a class, but possibly the first step toward a most rewarding career.

ROTC Program Has Varied Functions

The Air Force Junior ROTC is unique in design. The program's functions are not limited to academics. ROTC also serves as a community-oriented organization.

The academic approach

ROTC offers is an up-to-date course in aerospace education.

Functioning somewhat as a club, the ROTC staff and cadets have conducted fund-raising projects to finance outside activities.

Pantherettes Put On a Good Show

The Pantherette squad is a group of high-spirited young ladies that perform at halftime, during Dudley football games and in parades and other band exhibitions. The purpose of the Pantherette squad is to perform precision marching and dancing routines and to provide wholesome activity for its members.

There are several qualifications that must be fulfilled before one can become a Pantherette. Each girl must show consideration for others, and she must be reliable, resourceful, and responsible in any situation. Also, each girl must strive to inspire confidence, respect and admiration.

Shown here is just one of the many dances which was performed this year.

Faculty

Mr. Brown Accepts the Challenge

The job of chief administrator in a senior high school is strenuous and fatiguing. The constant repetition of situations and circumstances is monotonous. Even in light of these aspects, Mr. Franklin Brown has a decade. In these years, Mr. Brown has gained insight into the everchanging business of education, and has remained astride education's progression.

Assistant Principals Serve In Varied Capacities

Mr. Chester Bradley's daily schedule has him maintaining bus procedures, applying discipline where needed, and working with attendance policy and procedure. Mr. Bradley also serves as sponsor for Dudley's Student Affairs Committee.

Mr. James Howell's formal title is Assistant Principal in Charge of Curriculum. In this capacity, Mr. Howell works with the faculty in electing and maintaining the most favorable curriculum for the Dudley Student Body.

Cone fabrics have stood for freedom from the start...since 1895, when America began living in them. The first to come to light was deeptone denim, and Cone became the leading manufacturer of this famous fabric. Next, came corduroy, an equal winner. But Cone didn't stop there. In fact, denim and corduroy are just two of the many fabrics that have won acclaim for Cone Mills in its 81-year history.

Today, with 23 modern plants, Cone creates

a whole line of quality fabrics for casualwear, sportswear, sleepwear, uniforms and career apparel, fabrics for home-sewing—even polyurethane foam and dyestuffs are now part of the Cone family of products.

The employees of Cone Mills—approximately 14,000 in all—are proud of their part in creating basic fabrics that are the backbone of American casual fashion.

Yearbook

High school is the whirl of fall
leaves
swirling across a road at
twilight.
It's a gold-plated megaphone
dangling
from a dainty chain.
It's buying all the latest
fashions,
then baby-sitting.
It's meeting friends,
watching the winning
touchdown
and experiencing
the thrill
and sweat
of a locker room
after the struggle.
High school is cramming
for an exam
that you'd rather forget.
It's a shiny bronze ring that
catches the light
and a charm bracelet with
scattered memories.
High school is growing up, and
growing up is wishing you
were young again.
— Suzanne Brancioforte

It has been our goal as a yearbook staff to try to capture the many activities that took place during this 1975-1976 school year as well as the emotions and spirit which accompanied them. Since we all change as time goes by, it is important to be able to look back and remember nostalgically the times we spent at Dudley. We hope we have reached this goal.

Many long, hard hours were spent putting this book together, but the staff never complained. We have compiled it with you, the student body, in mind and hope that this 1976 PANTHER captures not only the activities of this year but also the true spirit of Dudley.
